

# COVID-19 Update

March 21<sup>st</sup>, 2020: We are taking the health and safety of our employees, valued customers and the community very seriously. Based on our constant monitoring of the COVID-19 outbreak and in support of the nationwide efforts to stop the spread of the virus we will be **temporarily closing Davis Park Golf Course effective Monday March 23<sup>rd</sup>, 2020.** This is an opportunity to re-evaluate our current practices and implement new safety measures so we can make our facility safer both now and the future. Our goal is to reopen quickly while being able to provide a safe and healthy environment for all. Please know we are committed to providing outdoor recreation in this time of need. Updates will be posted on our website and sent to our email subscribers. We greatly appreciate your understanding and support.
